Approval of LANTEK III Series cable certifiers

Dear Mr. Hüdepohl

We are pleased to confirm that the IDEAL INDUSTRIES LANTEK III Series cable certifiers are approved for Class E, Class E_A F and F_A certification measurements of all CORNING FutureCom™ System installations according to ISO/IEC 11801 Edition 2.2 and EN 50173 Series.

The LANTEK III Series cable certifiers must be operated with latest available firmware versions.

Depending on the cabling system, the following accessories have to be used:

Manufacturer Cabling System	Test Standard	Measurement Mode	Adapter
FutureCom™ Class E	"ISO E" "EN50173-E"	Permanent	Permanent Link Adaptor (PN: R161051)
		Channel	Category 6A High Performance RJ45 Adaptor (PN: R161053)
FutureCom™ Class E _A	"ISO E _A " "EN50173-E _A "	Permanent	Permanent Link Adaptor (PN: R161051)
		Channel	Category 6A High Performance RJ45 Adaptor (PN: R161053)
FutureCom™ Class F S1200	"ISO F _A " "EN50173-F"	Permanent or Channel	TERA High Performance Adaptor (PN:R161054)
FutureCom™ Class F _A S1200	"ISO F _A " "EN50173-F _A "	Channel	TERA High Performance Adaptor (PN:R161054)

Yours Sincerely,

i.A. Harald Knauer

Dipl.Ing.(FH)
